

GOVERNMENT DEGREE COLLEGE FOR WOMEN

MARRIPALEM, DOWNURU POST, KOYYURU MANDAL

ALLURI SITARAMARAJU DISTRICT

BEST PRACTICES

The college adopts several eco-friendly and student-centric practices that reflect its commitment to sustainability, community engagement, and holistic education.

S.NO	NAME OF BEST PRACTICE	OBJECTIVES
1	Utilization of RO Plant Wastewater for Gardening	<p>To conserve water and promote sustainable campus maintenance.</p> <ul style="list-style-type: none">The wastewater generated from the college's Reverse Osmosis (RO) plant is systematically collected and redirected for watering gardens and maintaining green spaces on campus. <p>This practice reduces water wastage and helps maintain the lush greenery of the college, contributing to a clean and eco-friendly learning environment.</p>
2	Nursery Development in Collaboration with the Forest Department	<p>To promote biodiversity, environmental awareness, and community greening.</p> <ul style="list-style-type: none">The college has developed a plant nursery within the campus with support and guidance from the Andhra Pradesh Forest Department. <p>The nursery houses various medicinal, ornamental, and native plants, which are used for campus beautification and distributed during plantation drives.</p>

3	Divyangan-Friendly Infrastructure	To ensure inclusive access to education for all students. <ul style="list-style-type: none"> The campus has ramps with handrails, barrier-free access points, and support systems to assist students with physical disabilities.
4.	ICT Facilities	To integrate Information and Communication Technology (ICT) tools into classroom teaching to make learning more interactive, student-centered, and effective. <p>To promote the use of smart classrooms</p>
5.	Organic Farming	<ul style="list-style-type: none"> To encourage eco-friendly farming practices that conserves natural resources such as soil, water, and biodiversity. <ul style="list-style-type: none"> To maintain the ecological balance without degrading the environment.
6.	Cinema Katha Rachana	<ul style="list-style-type: none"> To encourage students to write and express ideas creatively through a cinematic or dramatic storytelling format. To develop scriptwriting, dialogue, and visual narration skills.
7.	MOU'S	<ol style="list-style-type: none"> To provide internship opportunities for Life Sciences, Chemistry, and Biotechnology students. To organize industrial visits, workshops, and awareness programs. To enhance students' practical knowledge of laboratory testing, R&D, and quality control.
8.	Certificate Courses	<p>Enhance Employability and Job Readiness</p> <ul style="list-style-type: none"> To equip students with industry-relevant practical skills. To improve job opportunities by offering add-on qualifications alongside the regular degree. <ol style="list-style-type: none"> Bridge the Skill Gap

		<ul style="list-style-type: none"> To complement the theoretical curriculum with hands-on training in specific domains.
9.	Career Guidance	<p>1 Help Students Identify Career Goals</p> <ul style="list-style-type: none"> Assist students in understanding their strengths, interests, and aptitudes. <ul style="list-style-type: none"> Enable them to set clear academic and professional goals. <p>2. To Provide Information on Career Opportunities</p> <ul style="list-style-type: none"> Create awareness about diverse career options in government, private, research, and entrepreneurial sectors.
10.	Soft Skills by APSSDC	<p>To enhance students' employability skills and workplace readiness</p> <ul style="list-style-type: none"> To build effective communication and interpersonal abilities To improve confidence, teamwork, and leadership skills
